

2007 Fall Oregon Society of Anesthesiologists Meeting
Haugen Lecture/Simulator and Advanced Airway Workshop
OHSU Simulation and Clinical Learning Center
Portland, OR
September 15, 2007

- 0730-0830 Breakfast and Registration
- 0830-0930 Haugen Lecture
"The role of High Fidelity Simulation in Anesthesiology Training and Practice"
Randy Steadman, MD
Professor and Vice Chair
Simulation Center Director
Department of Anesthesiology
David Geffen School of Medicine at UCLA
- 0930-0950 Full-Scale High Fidelity Simulation Demonstration 1
Michael Seropian, M.D., F.R.C.P.C
Medical Director, OHSU Simulation and Clinical Learning Center
Associate Professor
OHSU Schools of Medicine and Nursing
Department of Anesthesiology &
Peri-Operative Medicine
- 0950-1030 Debriefing of Simulation 1
Drs Seropian and Steadman
- 1030-1050 Break
- 1050-1110 Full-Scale High Fidelity Simulation Demonstration 2
- 1110-1150 Debriefing of Simulation 2
Drs Seropian and Steadman
- 1150-1245 Lunch and OSA Business meeting
OSA officer elections
- 12:45-1330 Advanced Airway Management, A Review of New Techniques and Equipment
Dawn Dillman, MD
Assistant Program Director
Director of Medical Student Education
Assistant Professor of Anesthesiology and Peri-Operative Medicine
Oregon Health & Science University

1330-1730 Workshop

Station A

Drs Seropian and Steadman

Simulation: hands on experience in our operating room simulator working through clinical scenarios.

Station B

Drs Aziz and Dillman

Advanced Airway equipment: participants will receive hands on experience with several advanced airway management tools using our center's airway simulator manikins and models.

Station C

Drs Aziz and Dillman

Advanced airway techniques: participants will perform surgical airways on our simulator center's airway models and on tracheal preparations.

Station D

Drs Swide and Aziz

Ultrasound techniques: participants will get hands on experience using ultrasound guidance for central venous access and regional anesthesia using manikins, regional anesthesia practice tools and live models.

17:30 adjourn

Faculty:

*Randy Steadman, MD
Professor and Vice Chair
Simulation Center Director
Department of Anesthesiology
David Geffen School of Medicine at UCLA*

*Michael Seropian, M.D., F.R.C.P.C
Medical Director, OHSU Simulation and Clinical Learning Center
Associate Professor
OHSU Schools of Medicine and Nursing
Department of Anesthesiology &
Peri-Operative Medicine*

*Dawn Dillman, MD
Assistant Anesthesiology Program Director
Director of Medical Student Education*

*Assistant Professor of Anesthesiology and Peri-Operative Medicine
Oregon Health & Science University*

Michael Aziz, MD

*Assistant Professor of Anesthesiology & Peri-Operative Medicine
Oregon Health & Science University*

Christopher E. Swide, MD

*Director of Education, Anesthesiology Program Director
Associate Professor of Anesthesiology & Peri-Operative Medicine
Oregon Health & Science University*
